

Want to save \$\$\$ on your tuition??

Try using our SCRIP program for everyday purchases & gifts!!

Here's how our program works:

You buy our gift cards and a portion of the gift card is refunded to you and the school in the form of a rebate coupon to be applied to your tuition. **EVERYONE gains from this program ...YOU...and THE SCHOOL. We have participating families that are saving over \$200 each year on their tuition.**

We can make it EVEN EASIER for you! Apply for our automatic monthly mailings for cards you use every month, such as gas, restaurants and stores. It is easy to change your order from one month to the next, it's **VERY FLEXIBLE**. Your cards and invoice will be mailed to you and the payment is due within 20 days. We have an extensive list of cards available with varying amounts of rebates. See PJP2 Website for the rebate amounts.

All other orders can be made by sending an order and payment into the office in care of SCRIP or visit our the front office for Cash-n-Carry sales during SCRIP hours. **SCRIP hours are: Monday, Tuesday, Wednesday and Friday from 10:00am-12:00am. See Janet Tutin in the front office.**

All orders sent in with your child will be processed on Mondays, Wednesday and Fridays and returned to you that day.

If you are interested in using our automatic mailings system, please inquire for more information at PJP2Scrip@yahoo.com or contact Debbie Dunleavy (484.354.1722).

See the full listing of our in-stock gift cards posted on the school website. **Special orders or large orders will be made on the 1st and the 15th of the month.** During the holiday sale, we will be placing weekly orders for SCRIP.
