The PJPII SCRIP Program's gift card ideas are the biggest they have ever been!

Are you SCRIP ready for the Holidays?

Whether you are familiar with our program or this is your first time, we welcome you to come discover us! We pride ourselves in finding the best free rebates from hundreds of vendors to apply toward your tuition while benefitting PJPII too.

The PJPII SCRIP Program is a gift card fundraiser with a holiday twist! Buy gift cards at face value through the PJPII SCRIP Program and a percentage of the gift cards in which the vendors discount is credited to the program and we give you a percentage of that which is applied to **YOUR SmartTuition account; FOUND MONEY!** It's a program that **benefits both you and PJPII** at NO additional costs or purchases! We have families *saving hundreds to a thousand dollars each year off their tuition!*

DISCOVER the additional BLESSINGS! Anyone who purchases in the month of December will receive 65% of what the vendors return to us. That savings can really add up. Some of those vendors return up to 16%! *(These promotions will be reflected in your 4th quarter Tuition Credit summaries in early 2018.)*

Simply think about the stores you will most likely purchase your Holiday gifts from or those individuals you would like to give a gift card to, buy the amount in gift cards through PJPII SCRIP Program and voila. You will receive your gift cards either through your child's folder, your mailbox or one of us will meet you at the school before the Holidays for pick-up.

We also have eGift Cards, eCertificates, plus our mobile app which are all available 24/7. It really is the *easiest* way to get all your Holiday (& throughout the year) shopping in!

For us to guarantee your cards **we need your order & payment by: December 15, 2017**
in order for your cards to be with you by Thursday, December 21st.

***Our program is year round.
