My Favorite Memories

Some of my best memories are Dash for Cash and the events during Catholic Schools Week. I enjoyed all the different dress down days and the fun activities in the gym. I also enjoyed all the assemblies we attended, especially John Paul when we sang songs and played games. All the field trips I have been to while attending PJP II, especially our trip to the museum, were filled with excitement. I will cherish all these memories!

My Experience

I am very grateful that I have been attending PJP II. My Catholic education has made an impact on my life because it has taught me more about Jesus and his life. I'm proud of all the things I've learned about my Catholic faith because it has made me love Jesus more and it has made me a better person. My education has helped me to make better choices and to be more humble.

My Favorite Saint

Saint Sebastian is my favorite saint because he is the patron saint of sports. I enjoy playing and watching sports and hanging out with my teammates. I admire his toughness and his bravery. Saint Sebastian reminds me to always try my best and to be courageous.

My Future Plans

I want to be a NBA reporter when I grow up because it seems very interesting. I like to ask questions and I am very curious. I think being a sports reporter is the best thing I can do because I believe I can be very good at it over time. I also want to be a coach because I can be a leader. I would like to help children learn more about sports.
