### My Favorite Memories

My favorite memory was in 4th grade as Mrs. Finnerty’s turtle caregiver, even though it decided to leave a present on my desk. At first it was fun, but then once the incident occurred it became an unforgettable memory! Another one of my great memories at PJPll is winning the Bowling Championship in 6th grade. I felt very accomplished after winning the bowling pin trophy.

### My Experience

I personally enjoyed my Catholic education because it has informed me on how much of an impact Jesus has made on the entire world. He has really opened my eyes about His life and the life of Catholics. Catholic education is a key point to becoming closer to God. Receiving the sacraments has been a great experience for me.

### My Favorite Saint

St. Sebastian is my favorite saint because he is the patron saint of athletes and archers. I especially like him because of the fact that he's the patron saint of athletes and I enjoy playing sports. He was a martyr for his love of God and for standing by his beliefs. He was born into a rich family in Gaul, France. He was a member of the Imperial Roman Army. St. Sebastian reminds me to always persevere and to work hard.

### My Future Plans

I intend to get some form of degree in mathematics to pursue my love for the subject. I would love to become a successful accountant of a phenomenal organization. If I am unable to follow that path I would enjoy going into another profession like being an entrepreneur. I would open up a shop to supply customers with clothes. If neither of these ideas work out I plan on playing soccer for a team and becoming recognized for my talent in the sport.
