## Elaina Bressi

**Favorite Quote:** “The bottom line is everybody thinks differently” - Rihanna

**Favorite Subject:** Science

**Favorite Psalm:** “I call on the Lord in distress and he answers me.” Psalm 120:1

**Favorite Hobby:** Sports

### My Favorite Memories

My favorite memory at PJPll is Field Day. This special event allows everybody to make memories and to have so much fun. It's a break from school work as well, which everybody needs. We all play fun summer games. I look forward to being a leader and working the games this year as an 8th grader.

### My Experience

My experience at PJPll has taught me lots and I have made so many friends here. They've taught me about Jesus and sainthood. The friends I have made make such a positive impact on me and we hang out all the time.

### My Favorite Saint

I have chosen Saint Maria Goretti as my favorite saint. She is a saint of purity and has a pure heart. Her commitment to Jesus and her purity is why she is important to me. Saint Maria reminds me to always think before I act, and to treat others kindly.

### My Future Plans

My future plan is to be successful and happy. I want to keep playing my sports through high school and college. I also want to earn good grades and to keep great friendships. I am thinking of becoming a teacher or a physical therapist. I plan to be successful and genuine in all that I do.
